Core Java Developer Assessment

Sam
Sam@cybage.com

Test Taken on: January 19, 2018 10:45:28 PM IST
Finish State: Normal

Registration Details

Email Address: sam@cybage.com
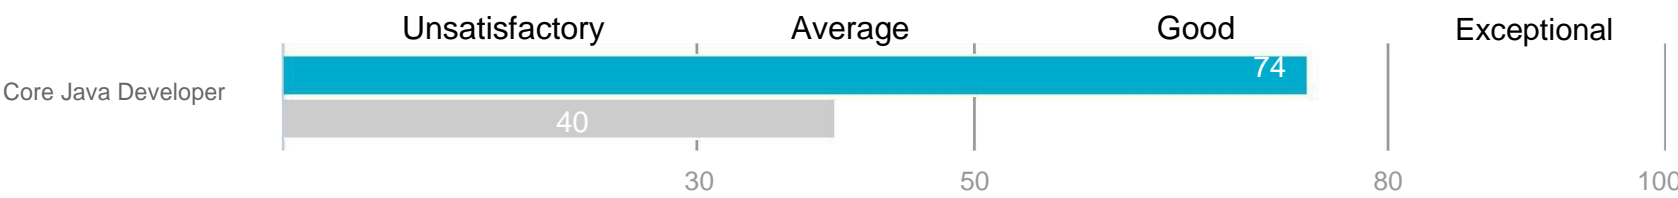

First Name: Sam

Last Name: Not filled

Date of birth: Mar 9, 2018

Contact No: Not filled

Gender: Not filled

Country: Not filled

Overall Assessment Score

	Unsatisfactory	Average	Good	Exceptional

Core Java Developer — 74
40

30   50   80   100

Values shown in above chart are percentages

■ Unsatisfactory ■ Average ■ Good ■ Exceptional ■ Benchmark/Group Average

Strengths

**Classes Objects and Methods:**

Strings and String Methods:

Operators:

Areas Of Development

**Error and Exception Handling:**

Collections:

Competency Wise Analysis

Unsatisfactory   Average   Good   Exceptional

Competency	Value
Java Basics	100
Object Oriented Programming	78
Advanced Libraries	50
Hands-on Programming	70

30   50   80   100

Values shown in above chart are percentages

■ Unsatisfactory   ■ Average   ■ Good   ■ Exceptional

Sub-Skill Wise Analysis

Unsatisfactory   Average   Good   Exceptional

Sub-Skill	Value
Classes Objects and Methods	100
Strings and String Methods	100
Operators	100
Interfaces and Inheritance	100
Flow of Control	100
Threads	100
Constants Variables and Data Types	100
Multithreaded Programming	100
OOP Concepts	83
Error and Exception Handling	
Collections	50

40   60   80   100

Values shown in above chart are percentages

■ Unsatisfactory   ■ Average   ■ Good   ■ Exceptional

9 March,2018

10:01 pm	Started the test with Hands-on Programming
10:32 pm	Went to Java Basics of the test
10:39 pm	Went to Object Oriented Programming of the test
10:45 pm	Went to Advanced Topics of the test
10:45 pm	Finished the test
